Supporter Ref: 40821454

Dear Ms Liaw

Thank you so much for fundraising in aid of Great Ormond Street Hospital Children's Charity through your sponsored **mountain climb in South East Asia on 02/12/2011.**

Fundraising help and advice

To help you with your fundraising we've included a fundraising toolkit full of inspiring ideas, useful information and helpful advice.

Your safety and wellbeing is our priority. With this in mind please ensure you adhere to all laws and health and safety guidelines when organising and holding your event. Further information can be found in our fundraising guidelines at the back of the toolkit. Please note that Great Ormond Street Hospital Children's Charity cannot accept any responsibility for your event nor for anyone who participates in it.

Why not set up an online fundraising page on Justgiving, it's really easy to do and is the best way to tell your friends and family about what you're doing? Go online at www.gosh.org/getspponsored to find out more.

Get the money you've raised working

Sending your money in is really easy! You'll find a monies return form in your toolkit with details of how to do this. However much you raise every donation makes a real difference.

A few ways your fundraising could help

Amazing things happen at Great Ormond Street Hospital every day and the money raised by people like you and your friends and family is crucial in helping us continue with this great work.

- £25 could pay for five special masks to help newborn babies breathe.
- £100 could help pay for two week's accommodation for parents to stay close by.
- £500 could help pay for a new play room in the hospital's redeveloped site.

Thank you for your support; we couldn't do it without you.
